June 2017

PRESIDENT'S MESSAGE

Lions, CISs and friends,

As we close out our fiscal year, many thanks go out to the Lions, CISs and friends who made this a successful year. We made an impact on the Hawaii Kai community as we co-sponsored the Hawaii Kai Holiday Parade, held vision and hearing screenings at Hahaione, Kamiloiki and Koko Head Elementary Schools, held vision screenings at the Kuapa pre-school and Hawaii Kai Baptist pre-school, donated to Project Graduation at Kaiser High School, made a monetary donation to the Hawaii Kai Library, helped with the Easter Egg Hunt at the District Park,

served a Christmas dinner and brought presents for the Kupunas at Lunalilo Home, sponsored the Boys Scouts Troop 101 and Cub Scouts Pack 101, supported the Friends of Hanauma Bay, the LEOs program and the Miss Hawaii golf tournament by cooking waffle dogs, and more. Outside the Hawaii Kai community, we helped the American Heart Walk, International Youth Camp, eyeglass recovery program, White Cane Awareness, helped our Zone clubs conduct vision and hearing screening for schools in their geographical area, Lions Club International Foundation by naming a Melvin Jones Fellow and the Hawaii Food Bank Drive.

To finish the year, let us continue to sell tickets for our only fundraiser. Whatever we make from the Father's Day Breakfast is used to fund our activities for the coming year. Let us make this a banner year for our President-Elect Lion

Jeanne Alices. We elected Lion Jeanne to lead us next year, therefore we must give her the support she needs so we can have another successful year on the activities and projects the Board of Directors decide on.

Lastly, let us make the effort to be at the Father's Day Breakfast, both on Saturday the 17th (to prep the cafeteria) and Sunday the 18th (to prepare the breakfast). We need all the manpower we have to put on another great breakfast.

Let us remain involved and focused as we keep the Hawaii Kai Lions Club as one of the best in Hawaii. Keep up the good work.

Lion Roy Aoki
2016-2017 President

Bulletin Changes

Submitted By Lion Bull. Ed. Joel Leo

Lion Kendrick Chang has accepted the role of Bulletin Editor for the Hawaii Kai Lions club, and to support that transition a few other things will change effective as of this bulletin

- Please submit articles, minutes, photos etc. to bulletin@hawaiikailions.org
- To better protect our Lions' information, there's now an SSL certificate in place for all pages on hawaiikailions.org

- Bulletins will be emailed to you as links instead of attachments, such as this link to last month's bulletin: https://hawaiikailions.org/wp-content/uploads/2017/05/2017-May_bulletin.pdf

There are more changes in the works, so stay tuned! If you have any suggestions for improvements, please reach out to bulletin@hawaiikailions.org, which will reach both Kendrick and I.

Many mahalos to both Lion Kendrick for stepping up to be your Bulletin Editor as well as to Lion Rich Halverson for continuing to provide the infrastructure supporting our hawaiikailions.org website, email lists and more.

I also want to say MAHALOS for all of your support, assistance, dedication to the community and submissions over the course of my years as your Bulletin Editor. I could not have done it without you, nor will Lion Kendrick be able to do it alone. Please support Lion Kendrick as he takes over this important role for the club.

Makers' Table at Koko Head Elementary

Submitted By Lion Bill Modglin

On May twenty-fourth Koko Head Elementary finally got their Maker Space. It took four months and many redesigns but the final product will allow whole classes of children to create to their hearts content. Lions Eric Kwick, Eric Kimura, Ken Nishibun and Bill Modglin

assembled at 9:30 A.M. and very carefully loaded all the pieces in two trucks and drove to Koko Head Elementary to begin assembly. Five hours later all was assembled, much to the delight of Librarian Sherry Kabral and Principal Jeff. Later after lunch Lions Eric Kwick and Bill went back and delivered all the storage boxes for the thousands of Lego and robot parts the school will purchase over the summer.

Please enjoy the pictures from Lion Ken and Rick but go see it in person when you can for a real appreciation of Lion Rick's craftsmanship and good old Lion ingenuity.
