Monthly Bulletin of the Hawaii Kai Lions Club

PRESIDENT'S MESSAGE

Aloha Lions,

Well July flew by in a flash. Thank you all for your patience as I get my President legs fully planted in place.

Thank you to Lion President Gary Nip of the Koko Head Lions Club for introducing our club to the new smartphone app "My Lion." Lion President Nip gave a presentation about "My Lion" at our July 20th membership meeting. His power point presentation clearly demonstrated this new tool developed by LCI. It took a lot of work and research to implement this app.

Hopefully those of you with a smartphone will take a moment or two to register for this app. It's pretty easy to do... I know...because I did it!! I have a hard copy of the power point with step by step instructions. Happy to share it and assist anyone needing help. This is a great addition to our club along with the current technology and online initiatives that the IT Committee is currently working on.

The International Youth Camp is well underway with a group of 23 high students from 17 countries participating. Thank you to our own Cynthia Chun for coordinating the activities and other arrangements. This is annual project is a major undertaking which she has been working on for many years. July 29th was their Diamond Head hike, which several of you participated in. Several of us were not able to attend because it coincided with the first cabinet meeting of the year. Thank you to our members who represented our club at this first zone event of the new Lions year. There is an Aloha Dinner scheduled for the international youth on Friday August 4th at 6:00 pm. It will be a fun event at Manoa Elementary School and all are welcome to attend. Sign-up sheet is on our website and cost is \$20.00.

At the recent July 29th Cabinet meeting, DG Blayne Hanagami discussed the strategic objectives for District 50.

There are four primary areas of impact:

- Expand leadership development for all interested D50 Lions.
- Improve public image-thru promotion of service activities.
- Increase net membership, increase women members, and reduce membership drops.
- Support member enrichment activities to expand our pride in serving

These are all great areas to focus on. I also welcome any and all suggestions of projects and activities that will specifically impact and help improve our community. Every one of you have special talents and strengths we'd like to explore and utilize to help our club stay relevant and impactful.

I'd like to welcome our two newest Lions to the family. Lion Ellsworth Fujii and Lion Nancy Rocheleau were given two induction ceremonies at our last membership meeting and the recent cabinet meeting. Also, we look forward to inducting new member Marlene Arnett at the August 17th membership meeting. We are excited that you chose to join our great organization and look forward to all your contributions. It is my goal to expand our club's membership and to encourage our new Lions to step up into active roles in our club.

We have one service project this month. August 12th is the Heart Walk at Kapiolani Park. Sign-up sheet is on the website. Help is needed to pack the bags with a sandwich and fruit and distribute to the walkers. This is a fun and quick project and there will also be tents where you can check your blood pressure and get your health questions answered. Start time is 6:00am and we're done by 11:00am. Looking forward to seeing you all there.

Mahalo and Aloha,
Lion President Jeanne

IYC Diamond Head Hike

Group photo of International Youth Campers right before the hike.

Submitted by Lion Cynthia Chun

On July 29th, our club participated in hosting the Summer International Youth Camp for a hike up Diamond Head and a picnic lunch. Although some of our Lions were away on trips or attending the cabinet meeting, the Region 5, Zone 2 clubs, Diamond Head, Hawaii Kai, Kaimuki and Koko Head, Diamond Head Hike still ended up with approximately 60 members who attended the hike. A majority of the lions who came were made up mostly of Koko Head and their Leo Club at Kaimuki Middle School. There were 23 international youth campers from 17 countries who made the climb along with club members who accompanied them. It was a fast trek with a short stay at the top to take in the magnificent view then down for lunch and rest before heading off to Hanauma Bay but not before playing games with the Kaimuki Leos. As done in past years, Lion Alvin provided luggage tags for the campers as a memento for their climb to the top of Diamond Head. Mahalo to Lions Kendrick S. Chang, Cynthia Chun, Cindy Giorgis, Stan Ito and Kaz Nakano for representing our club.

Welcome Ellsworth and Nancy!

Rescue Tube Project On Olelo!

Olelo Studio filming of Lion Kendrick interviewing Eric Kvick.
Submitted by Bulletin Editor Kendrick S. Chang

On July 15th, Lions Kendrick S. Chang and Eric Kvick filmed an episode on Olelo tv show *Maunaloa, Past, Present, and Future* about the Rescue Tube Project. Both Lions had a lively conversation about the Rescue Tube projects, aims, success during the first phase, and plans for the incoming second phase to distribute 1,000 Rescue Tubes on Oahu. This latest publicity opportunity was provided through Kendrick's current active involvement with Livable Hawaii Kai Hui, the tv show's organizers. Livable Hawaii Kai Hui is an environmental community group in our community that recently preserved the Ka Iwi Coastline and takes care of the Keawawa Wetland, adjacent to the Oahu Club. The episode will air later this fall on Olelo (Ch.54). The air dates & times will be posted in a future bulletin issue.
