Monthly Bulletin of the Hawaii Kai Lions Club

PRESIDENT'S MESSAGE

Hi Hawaii Kai Lions, CIS's and All,

As we find ourselves in the middle of a pandemic and lockdown number two my mind is wandering to similar things that have happened in my life.

Let me set the scene... picture two young boys, lets all them Frick and Frack, in spring 1957 or so, enjoying the freedom when school had just ended. If you can picture a block of houses, all pretty much the same, on a street with culverts (we called them ditches) on both sides. These ditched would turn into rivers during a big rain. Most ditches were full of weeds and grass, except Mr. Wilson's house where it was full of nice decorative rocks. As it would be this years biggest downpour came just two days into the summer break. So Frick and Frack did what any inquisitive boys would do, they stacked up all of Mr. Wilson's rocks to form a dam, successfully flooding Mr. Wilson's front yard to the point that water seeped into the house under the front door.

This chain of events led to a stay at home order and Frick being put into lockdown for the summer of 1958. The only activity allowed was cutting the grass with a push mower and picking up crabapples. Frick's mother assured him that the stay at home order was the only way to keep him from living a life of crime. Frick studied biology in his spare time after finding his father's Playboys hidden in the house.

Frack on the other hand was given a suspended sentence for ratting on Frick. Frack went on to move into experiments with explosives. First propelling golf balls thru a pipe (like a mortar) aimed at Frick while he was picking up crabapples. Later in life he went into positive uses of explosives and invented (you guessed it) fracking.

There is a moral to this story, I just forget what it is..

Upcoming activities:

* COVID 19 numbers are going up the 9-10-20 Board meeting will be Zoom Only. This will be evaluated on a monthly basis

* You will all receive an invite to the 9-17-20 regular Zoom meeting, I hope to see you all there.

*Please everyone, don't hesitate to reach out to me with suggestions, comments, questions or concerns.

Special mentions this month:

*Lion Kerry Yoon, who acquired hand sanitizer and signage necessary for in person activities.

*Lion Frances Lum, who drove around visiting lions, distributing goodwill and D50 booklets.

*Lion David Iwana, who finalized the agreement with Kaiser HS for our club to use a container on their property for pancake equipment and other storage.

*Lion Rich Halverson, our secretary, for keeping things in order and hosting our Zoom meetings.

*All Lions and friends who helped raise funds for the Hawaii Food Bank. To date our virtual fundraising has reached \$1,764.56 (currently leading all fundraisers). This is probably better than we usually raise with fishnets at Costco, with no sunburn.

Stay safe and have a great month!
Eric

Going Green Recycling Day

L-R: Ellsworth Fujii, Dave Iwana, Allen Umeda, and CIS Fumiko.

Submitted by Lion Allen Umeda

The first Going Green Recycling Day after a four-month hiatus due to COVID-19 was held at Pu`uhale Elementary School on August 1 from 9:00-11:00am. This was a trial to confirm that the event could be conducted safely. It was not clear if we would even be allowed to move forward with the event until two days before it was scheduled because of the spike in new infections. The event was deemed a success although it's not clear if this recycling project can continue in the short term due new restrictions that will go into effect shortly.

A total of 29 volunteers from seven Lions clubs participated in the event, which was organized by the Hawaii Cyber Lions. The following Hawaii Kai Lions participated: Ellsworth Fujii, David Iwana, Allen Umeda and CIS Fumiko.

A total of 3 truckloads of e-waste was collected, along with batteries, clothing, eyeglasses and hearing aids.

We are monitoring the situation at Maunalua Bay and will plan a Going Green Day at this location when it is safe to do so and the city and state start issuing permits for use of the area.

Kaiser High School Storage

Lions Dave, Appan, and Ken inspecting the storage containers.

Submitted by Lion Dave Iwana

On Friday, August 14, 2020, the Storage Container hui (Lions Eric Kvick, Appan Subramanian, Ken Nishibun, Marty Jorgensen and David Iwana) met with Kaiser High School Vice Principal Dana Takahara-Dias and Facilities Manager Reggie Foo, to inspect a proposed storage container on the campus. It has been hoped and proposed by the committee that we use the 20' container to relocate and store all of the Father's Day Pancake Breakfast equipment and supplies, currently housed in the Hawaii Candy Company near the airport.

After discussions with Kaiser during the year and following the inspection of the unit, it was formally offered to the Hawaii Kai Lions to use! For years, Hawaii Candy has allowed us to store our materials and it is greatly appreciated, however, by using the Kaiser container, it will not only be more convenient for equipment storage, but avoid work interruptions at Hawaii Candy. There may be some modifications needed to the container, however, moving day is expected within the next few months.

Ed Lee's Joke of The Month

Submitted by Lion Ed Lee

Senior citizen patient: Doctor, doctor.....When I walk into the bathroom , I don't remember what I went in there for? Is it a senior moment or is it something else??

Doctor: Next time this happens, start to count.

Senior citizen: You want me to start counting??

Doctor: Yes

Senior citizen: Then what??

Doctor: If you count past two and still don't rememberit's something else.

Virtual Tail Twister — September

Submitted by Lion Frances Lum

Tail Twisting would be much different and probably more fun in person, but since that is not an option right now, I hope you have been enjoying the puzzles, brain teasers, etc. these past few months. I would really appreciate feedback from you or suggestions. Here's my email address: fhlum@yahoo.com. If you prefer to use regular mail or the telephone, all that information is in the new directory that Alvin Hayashibara sent out. (Thank you, Alvin!)

Hope you like this month's edition of The Tail Twister!

Frances

Mental Fitness Evaluation (A little silliness and fun)

This is meant to ascertain your mental state. If you get one right, you are doing okay.

Giraffe Test

How do you put a giraffe into a refrigerator?

The correct answer: Open the refrigerator, put in the giraffe, and close the door. This question tests whether you tend to do simple things in an overly complicated way.

Elephant Test

How do you put an elephant into a refrigerator?

Did you say, Open the refrigerator, put in the elephant, and close the door? Wrong. The Correct Answer: Open the refrigerator, take out the giraffe, put in the elephant and close the door. This tests your ability to think through the repercussions of your previous actions.

Lion King Test

The Lion King is hosting an Animal Conference. All the animals attend, except one. Which animal does not attend?

The Correct answer: The Elephant. The elephant is in the refrigerator. You put him in there. This tests your memory.

One last chance: The Crocodile Test

There is a river you must cross, but it is used by crocodiles, and you do not have a boat. How do you manage it?

The Correct answer: You jump into the river and swim across. All the crocodiles are attending the Animal Conference. This tests whether you learn quickly from your mistakes.
